Protocol "EP-241-W2" of the United Nations is activated, the search for [redacted], with identification number [redacted], is established with [high] priority

Unrelated to detail operation of level 1, everything will proceed in code, rules, and procedures of encryption.

Steps of the current order:

1. Search for the subject, reconnaissance in the requested areas, and personal connections of the 1st/3rd/10th [degree?] in the order required by Article 32/2938/2008.
2. Interrogation of various subjects from familial, friend, and other groups that will lead to his circle.
3. Identity theft, disparagement, and subjugation. Annulment of the rights set out in the resolutions of the Magna Carta of the United Nations.
4. Linking the subject to "ghost" companies and situations set up in order to justify same.
5. Donation of organs (seven) for sale in places T47/T49/W1/W33-7365981T57.
6. Creation of collector-compensator for the benefit of Mrs. [redacted] with I.D. number [redacted].
7. In case of the subject's refusing to donate his organs voluntarily, he will be forced to do so in the ways set out in section 341 of the [redacted] of the Kingdom of Spain.
8. The timeframe for the execution of the processes will be understood as between 60 days and 180 days, varying based on the subject and the level of force exercised upon same.
9. Said order will be executed by the antiterrorist operations group of [redacted] "LIMA" headed by Major General [redacted].
10. To finish the operation, the principal subject will be brought before an antiterrorist tribunal headed by Major General [redacted], in any event the minimum penalty will be equivalent to that of **64539**.

So that everything takes effect, I, [redacted] of the Kingdom of Spain and First Minister of Special Operations of the C.I.A.-MOSSAD (**USAD**) now in the reserve and active duty in the month of December of the year 2019, sign, authorizing said operation and assuming whatever possible consequences that could result.
